An original Valentine's Day concert celebrating love in all its many forms.

Directed by Phillip Fazio

The Duluth Playhouse is creating a new Valentine's Day concert that celebrates love in all its many forms. The event will be filled with songs about love of your significant other, a lost love, that special someone you've yet to meet, love between best friends, love of a pet, etc...

Seeking a diverse cast of actor/singers, ages 18 and up.

Performers of all ethnicities, gender identities, and abilities are encouraged to audition.
